

The diagram illustrates the layout for a finished product. It features a light blue rectangular area representing the final cut, surrounded by a wider orange border representing the bleed area. Two arrows point from the text 'RED LINE IS THE CUT LINE' to the top corners of the light blue area. A horizontal double-headed arrow spans the width of the light blue area, with the text 'BLUE LINE IS THE SAFETY LINE' centered above it. The dimensions for the finished size and the size including bleed are provided in the bottom right corner.
