

The diagram shows a rectangular print layout with several lines and arrows. A central vertical green line divides the page into two equal halves. Two horizontal green lines, one near the top and one near the bottom, divide the page into three horizontal sections. A horizontal blue line is positioned between the two green lines, and a horizontal red line is at the very top. A horizontal arrow points from the left edge to the blue line, and another points from the blue line to the right edge. Two diagonal arrows point from the top edge towards the central vertical green line, one on each side.
