

The diagram shows a rectangular layout with a central vertical line and two vertical lines on either side. A horizontal line with arrows at both ends crosses the entire width. Text labels are placed within the layout to define the lines: 'RED LINE IS THE CUT LINE' at the top center, 'BLUE LINE IS THE SAFETY LINE' in the middle center, and 'GREEN LINES ARE THE FOLD LINES' on both sides of the center. Arrows indicate the direction of folding and cutting. At the bottom, the finished and bleed sizes are specified.
