

The diagram shows a business card template with various lines and arrows indicating where to fold and cut. A horizontal blue line runs across the middle, with arrows pointing outwards. Two vertical green lines are positioned on either side of the center, with arrows pointing inwards towards the center. Two diagonal red lines are at the top, with arrows pointing outwards. Text labels explain the function of each line: red for cutting, blue for safety, and green for folding. Dimensions for the finished size and with bleed are provided at the bottom.
