

The diagram shows a rectangular page layout with a light blue background. A vertical green line runs down the center, representing a fold line. Two diagonal green lines extend from the top center towards the top corners, also representing fold lines. A horizontal blue line is positioned in the upper third of the page, representing a safety line. A horizontal red line is positioned just below the blue line, representing the cut line. Arrows point from the text labels to their respective lines: two arrows point to the diagonal green lines, one arrow points to the horizontal blue line, and one arrow points to the horizontal red line.
