

The diagram shows a rectangular layout with two concentric borders. The outer border is orange and represents the 'WITH BLEED' size of 3.125x4.125 inches. The inner border is blue and represents the 'FINISHED SIZE' of 3x4 inches. The area between the two borders is the bleed area. Two arrows point from the top center text to the top corners of the blue line, indicating where the finished product will be cut.
